

GUIDING PRINCIPLES

1. Implementation of the California Arts and P.E. standards for students in the district with quality and depth ensures attention to excellent education.
2. Equity across sites, classrooms and groups of students ensures all children have access to the Arts and P.E.
3. Creating a balanced, teacher friendly program enables buy-in.
4. Implementation of programs and curriculum with an emphasis on sustainability will ensure a future for Arts and P.E. in the district.
5. Leadership, vision, and creating a school culture that values arts and P.E. play a significant role in the success of the strategic plan.
